

BECOME A PARTICIPANT OF THE **CANADIAN OPEN PARKINSON NETWORK**

We are looking for people living with Parkinson's disease, Atypical Parkinsonism, or volunteer controls to contribute to the largest Parkinson's research cohort in Canada.

WHAT'S INVOLVED?

Complete assessments online, by phone, or in-person that include:

- Questionnaires about your background, health, mood, and other symptoms
- Memory/thinking test
- Motor exam
- Blood draw (optional)
- Receive emails about studies in which you can participate
